Submitted to the Government.

2. The Collector recommends the retention of the special staff for a period of 1 year. He aims at a target of 40 cases for disposal. The Board considers that one year is too long a period, that it might be possible for the special staff to dispose of at least 75 cases per month and that at this rate the total pendency could be cleared off in 6 months. The Board therefore recommends that sanction may be accorded for the retention of the staff for a further period of 6 months from 14-10-52.

Sir,

ESTABLISHMENT: Temporary(South Kanara Dt.) Addl.Staff for the disposal of darkhast applications-Mangalore Taluk- retention beyond 14-10-52- Proposals-

Ref: 1 G.O. No 271- Rev. dated 30-1-1952.
2.G.O.Ms No 2340 dated 18-8-1952.

*****

In the G.O.cited (1)above the Government sanctioned the employment of the following additional staff for a period of three months from the date of appointment for work relating to the disposal of darkhast applications in Mangalore Taluk and in G.O.cited (2) above, the Government sanctioned the retention for a further period of three months from 14-7-52 of the additional staff. The period of present sanction will therefore expire on 14-10-52

1. One L.D.C. on Rs. 45-90 p.m. to work as Revenue Inspector.
2. One peon on Rs. 16-25 p.m.
3. One L.D.C. on Rs. 45-90 p.m.

****

2/- The work relating to the disposal of applications in Mangalore Taluk continues to be heavy. There are still 437 darkhast applications pending for enquiry. In almost all these cases necessary S.D. records have to be got prepared and check measured by the Revenue Inspector, The measurement work could not be taken up by the Karnams so far, on account of rains. As the no of pending cases is very heavy, the work will not be over even by the end of December 1952. Atleast one year will be required to dispose of all these pending cases. The regular staff in the taluk office, Mangalore engaged in the disposal of darkhast applications will not be able to cope with this heavy pendency. I have instructed the Tahsildar, to aim at a monthly target of 40 cases while disposing of the pending cases by the Special staff. The progress in the disposal of the darkhast applications is being reviewed by me every month.

3/- It is necessary to retain this additional staff for a further period of 1 year from 14-10-52 in the interest of speedy disposal of the pending applications. This will avoid frequent references seeking piecemeal extension. I accordingly recommend that the Government may be addressed recommending the retention of the additional staff for a further period of one year from 14-10-1952.

Huzur Head Clerk.
